Julie Henderson, Arvada Sunrise Rotary Club, challenged our Club to join in Arvada Sunrise' annual fundraiser, **Race 4 Rotary**, go-cart races at Unser Karting, 7300 Broadway, on Sunday, August 26th. She suggested entering a team to compete in the afternoon of racing and family fun. For more information, go to www.race4rotary.org.

Matt Duran announced that the Westminister Public School Foundation is supporting the formation of a **Boys & Girls Club** in the Westminister Public Schools context. He urged the Club's support of the endeavor with your donations.

The Program...

Alumni member Sam Calender introduced **Tyson Noeth** who provided an over-view of the Golden Rotary Club's involment in distributing surplus food to needy children with their 'BackPack' program and other similar programs.

Club News

Club members 'passed the pig' and donated \$250 for **Growing Home** to help fund school supplies for their clients.

Youth Initiatives Chair Mary Litwiler announced that an evening reception for **RYLA** and **YoungRYLA Campers** is being planned for August 29th at Ciancio's Restaurant & Grill. The event will be held jointly with Westminister 7:10 Rotary Club and will host RYLA and YoungRYLA Campers and their parents for a reception similar to the Scholarship Dinner.

This year's **Annual Peach Sale** was a banner event, exceeding the number of boxes of peaches sold over the last ten years with 410 boxes sold. Peach Sale Chairman Mike Archer will report on the final dollar amounts for the sale. Congratulations to all members who participated for a most welcome outcome.

Chairman Mike has also announced that last year's successful fund raising event, **'Paws for Kids'**, is tentatively scheduled for Sunday, September 23rd, again at the Wonderland Brewery in Broomfield. An organization meeting is scheduled for Thursday, June 21st, 5:30pm to get the event started. More details later.

There is discussion in the Board of Directors of changing the third meeting of the month, 'Bring A Guest' to a late afternoon, 4:30 – 6:00pm, Happy Hour meeting. The regular luncheon meeting would be canceled on that meeting date. The objective of the change is to provide an alternative membership/meeting time to attract new members who have difficulty making a lunch time meeting. The proposal targets the September 21st meeting as a trial. Member input is invited.

This week's meeting, organized by Alumni Member Sam Calender. Details of the program are not provided.
